

A PICTURE painted by Will Harder, New Lenox, of a monument, "New Horizons," he wants to build, is shown here, held by Mrs. Patricia Ling, secretary of the board of directors, and Will County State's Attorney Sangmeister, Mokena, a board member. Harder is at the left. The other two men are Leonard Saper, a Joliet automobile

dealer who is so interested in the project that he turned the car shown here over to Mr. Harder for use in getting around to further the business, and Ernest Bucciarelli, a Joliet business man who is also a board member.

Hash Over Objections To Local Road Closures

Some 50 residents of the area, many of them represented by attorneys, appeared at the hearing in Willowcrest School at Mokena Monday morning on the proposed closure of two roads enmeshed in plans for FAI-80, the transcontinental east-west expressway.

The hearing was conducted by L. H. Dinkheller, Engineer in Charge of District 1, Illinois Division of Highways. District 1 has charge of the work in Will County, District 10 is in charge in Cook County.

The roads to be closed are 187th St., east and west of U.S. 45, and 76th Av., also known as Sorton Av. Sorton Av. runs along Will-Cook County line, from 183d to 191st St.

Locally most people think of it as 191st. That was to have been carried over I-80 but when the cloverleaf that was to have been built in the vicinity of Oak Park Av., south of Tinley Park, was shifted to a continuation of Harlem Av., (72nd Av.) it was decided to have 80th Av. cross I-80.

As yet 80th Av. between 183d and 191st, is only partially built but it will be constructed, it was stated Monday, with Will County funds. The overpass over I-80 will be built with state funds. It is possible that Frankfort Township may

rebuild the extension of 191st St. that connects it with Harlem Av., if funds become available, and Harlem would give another connection with 183d.

Most of the statements made at Monday's hearing dealt with the closing of 187th St.

Albert H. Krusemark, attorney for Frankfort township George E. Sangmeister, attorney for Paul Smith; Thomas Wilson, attorney for Robert and Edward Maue, Mrs. Doris Gerdel Bos, and Howard Marti, made pleas that access roads be provided so that property owners on 187th can get to U.S. 45 from both the east and west sides, and that an overpass be built to carry 104th Av. over I-80.

The Maues, it was pointed out, will have their farm cut in two by I-80 and unless an overpass is built on 104th the only way to get from the north to the south part of the farm would be to take 183d St. to Wolf Rd., come back to 104th by way of 187th.

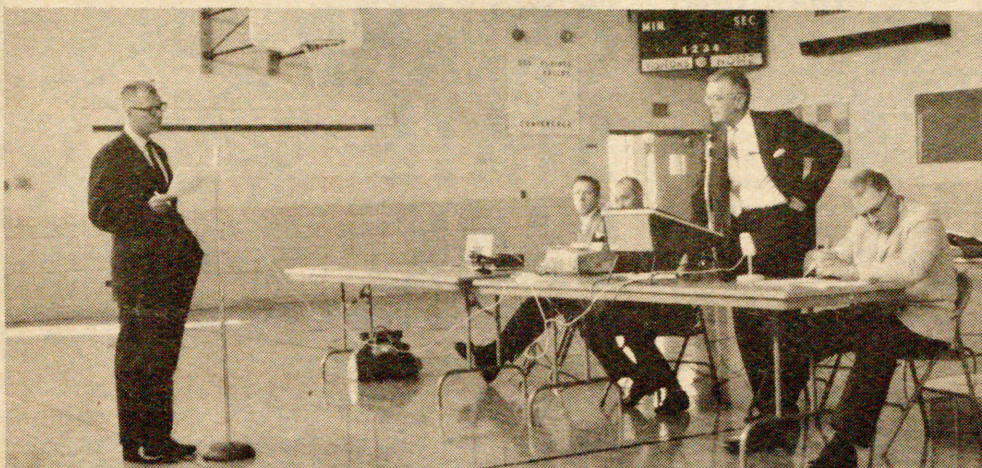

A Chicago attorney was there representing a bank which is holding in trust the farm formerly owned by Mr. and Mrs. Milton Geuther. It is reported that the actual purchaser is an Oak Lawn man who plans to build a subdivision at the northeast corner of 191st and U.S. 45, with space for light in-

dustry. He too wants access to U.S. 45. U.S. 45 is to be carried west of the present route to cross over the Rock Island and join the old route at about 191st.

Also addressing the engineers at the hearing were Kenneth McCarthy and Miss Gertrude Hecksweiler, who have farms along 187th, west of U.S. 45, and Walter Haas, president of the Cook County Truck Gardeners Association. Haas said routing traffic the way it will have to go because of cutting off 187th from access to U.S. 45, will make for dangerous driving conditions. The grade crossing over the Rock Island near the Howard Marti farm is extremely hazardous, Haas said. Marti and Paul Smith live east of U.S. 45, and will be boxed in, they complain.

Public hearings must be held before the state closes roads, Mr. Dinkheller explained. He said that the statements made at Monday's hearing -- they were taped -- would be studied.

There were few persons who attended the session that felt optimistic that the state would change its plans, according to comments made after it had adjourned. Most of the objections to the road closures had been voiced before at a meeting held in the 4-H Exhibit Hall at Francis Field.

OPPOSES ROAD CLOSURES -- Albert H. Krusemark, Frankfort (left) attorney for Frankfort Township, recited objections of town officials to the closing of 187th street, east and west of U.S. 45, and 104th Av. because of routing of I-80, at a hearing conducted Monday in Willowcrest School, Mokena, by L. H. Dinkheller (standing at the table) head of the District 1 Engineer's Office, State Division of Highways. Several of his staff were present with Mr. Dinkheller and are seated at the table.

Plans Giant Monument To Man's Peaceful Pursuits

Will Harder, New Lenox artist whose painting of the infamous Wall in Berlin has been exhibited in various sections of this country and Europe, is preparing to embark on another artistic undertaking--the creation of a monument dedicated to man's peaceful pursuit of progress in space.

New Horizons, it is to be called and a not-for-profit corporation bearing the same name is being organized to build and finance the monument.

As planned it is a colossal affair. A building 100 feet in diameter with globular roof, representing a hemisphere of the earth will serve as the base. The maximum interior height will be 50 feet. At one side is the figure of a man, standing beside a pile of books representing the knowledge of the ages, with his right hand resting on the Scriptures and his left had extended toward Heaven in an appeal to God to insure that man's better nature shall prevail. On the other side is a pile of books representing the building man has done on the earth. The whole is surmounted by orbital bands representing man's ventures into space.

Mr. Harder estimates that the cost will be approximately \$15-million. A national campaign is planned to raise the money. Harder has been talking about this project for many months and said this week that to date he has received some 2,000 letters,

encouraging him to press the undertaking to completion. Many of the letters have included contributions. The letters have come from all sections of the United States, as well as from Canada, England and Germany.

The monument is to be of bronze. The board is also accepting donations of copper, and other metals. Harder himself has collected some 17,000 pounds that have been donated.

"We expect to have our charter of incorporation from the state this week," Harder said, "and all contributions will be placed in its charge."

Mokena post of the Veterans of Foreign Wars has recommended to the state organization of the VFW that it and the national body get behind the project. Other organizations also will be asked to support the undertaking.

John Murchison, a Joliet attorney, is taking care of the incorporation proceedings. The incorporators include State Representative John Houlihan, of Park Forest; Joseph Hartung, a New Lenox businessman; George Senecal, also of New Lenox and Ernest Bucciarelli, a Joliet restaurateur. Members of the board, which is expected to be enlarged in the future, include Dr. Theodore R. Chamberlin, New Lenox; State's Attorney George Sangmeister, Mokena; Robert Specht, Joliet business man; Martin Gleason, a candidate for state

senator, of Joliet; Mrs. Ruby Corum and Mrs. Patricia Ling, secretary of the board, of Minooka, and Mr. Harder.

Harder has had offers of sites for the monument but has made no decision yet. He does want to build it in the Mid-West, however. One of the proposed sites is in the strip-mine area near Wilmington.

The building portion of the monument would be an exhibit hall for the history of man and included will be time capsules for the deposit of documents and artifacts to be read or viewed at specified times in the future.

Funeral Rites Held In Moline For Mokena Woman

Funeral services were held on Wednesday, Aug. 17, in the First Christian Church, Moline, Ill., for Mrs. Cora Polley of 19402 Union av., Mokena. The Rev. S. S. Carnock officiated.

Mrs. Polley died on Aug. 15, at Silver Cross Hospital, Joliet, following a brief illness. She was a member of the Orchard Street Christian Church in Blue Island. Born Aug. 27, 1880 in Green River, Ill., Mrs. Polley had resided in Blue Island and Moline prior to her four year residency in Mokena.

Surviving are one daughter, Mrs. Ralph (Mervane) Wallace of Mokena, two sisters, Mrs. Hattie Emerson and Mrs. Susie Abney, both of Rock Island, Ill. and four grandchildren. She was preceded in death by her husband, Norman in 1938.

Removal was to the Hirsch Funeral Chapel. Final services were held at the First Christian Church in Moline with burial in Riverside cemetery, Moline.

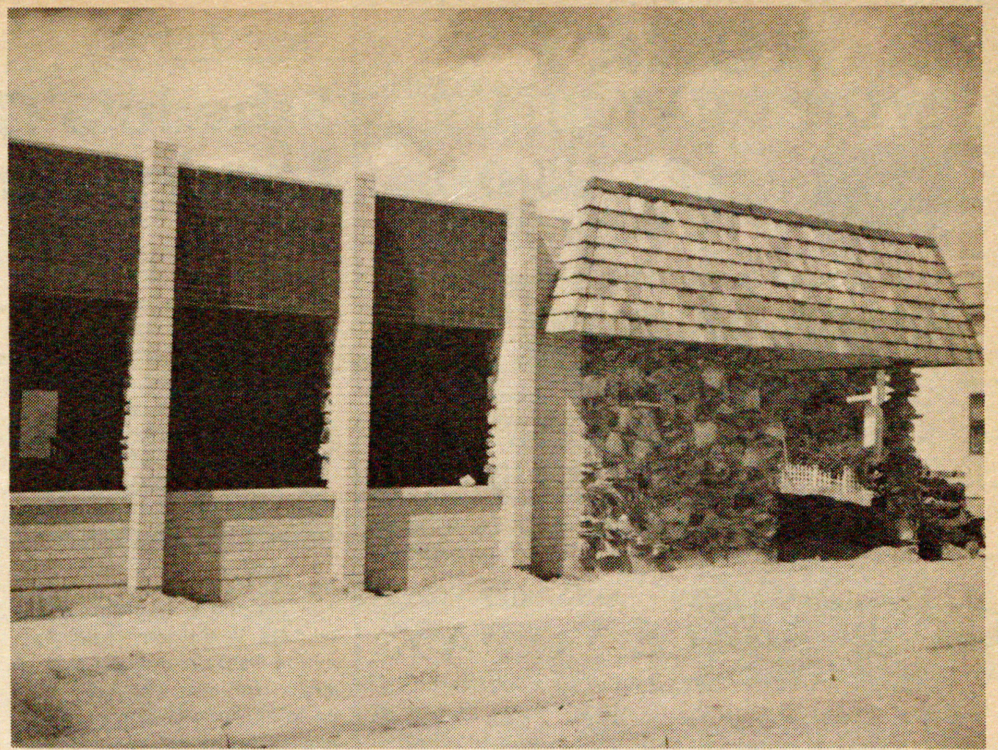

Telephone Operator 35 Years, Retires

"You just never knew what to expect when you answered a call, but I guess that was part of the excitement of my job as an operator." This is the comment of Mrs. Ethel Klemann, 141 Ash Street, Frankfort, who recently retired from Illinois Bell Telephone after 35 years of service.

"Looking back over the years, one particularly close call comes to mind," recalled Mrs. Klemann. "A young mother was frantically trying to get help for her sick baby, but she was so upset she could not tell us who she wanted. After we were able to calm her down, she gave us her doctor's name and help was sent in time to save the baby. Some days later we were surprised and delighted to receive a letter from the grateful mother expressing her thanks to us for our help."

Mrs. Klemann started her career with the company as an operator in the Frankfort office and served there until 1941. She was then transferred to the Chicago Heights office as an operator and remained there until her retirement.

A native of Frankfort, Mrs. Klemann, is a member of the Telephone Pioneers of America, a civic organization of telephone employees with 25 years of service or more.

NEW HOME of Mokena Pharmacy, owned and operated by Daniel Kurber, is expected to be ready for occupancy in October. Designed by Nick Batistich, Meadow Lane, Lemont, the shingle overhang at the entrance and use of California Driftstone on both the front interior wall and a portion of the exterior and a contrast in brickwork, gives the building a distinctive touch and is a welcome addition to Front St. The building has a total of 4,400 square feet, including space for a physician's office. The whole will be air conditioned and equipped with the latest in lighting and fixtures.

Ida Schoop Succumbs After Brief Illness

Mrs. Ida Schoop, 91, died Aug. 21, at the home of her daughter, Mrs. Leona Bormet of 132 Elm St., New Lenox, following a brief illness.

Mrs. Schoop and her late husband Reinhard, had farmed in the area until 1916, when they moved to Joliet. Mr. Schoop died in 1939, and Mrs. Schoop continued to reside there until 1956 when she moved to New Lenox with her daughter, Mrs. Bormet.

She was a member of the Ladies Aid of St. Peter's

Church in Joliet.

Surviving are two daughters, Mrs. Otto (Leona) Bormet, and Mrs. Charles (Elda) Morthland of Joliet, one grandchild and two great grandchildren.

Removal was to Baskerville Chapel, New Lenox. Services were held Tuesday, Aug. 23, at 2 p.m. in St. Peter's Church, Joliet, with burial in Maplewood Cemetery, New Lenox.

STATE GARDEN CLUB OFFICIALS TO MEET SEPT. 19

President's Council Day, an important annual event on the calendar of the Garden Club of Illinois is slated for Monday, Sept. 19 at the Edgewater Beach Hotel in Chicago. Mrs. Chester Evans, state president, will preside at the session in the morning starting at 10 o'clock.

Junk Pickup On Saturday At New Lenox

Clean-up and Haul-away Day at New Lenox is set for this Saturday, Aug. 27.

Trustee Evans Dretts, who made the arrangements, said that the trucks will begin their rounds at 9 a.m. Householders who have junk and rubbish they wish carted off are advised to have the stuff at the spot where they put their garbage cans and to have it out before 9 o'clock because the crews staging the pick-up will not make any return trips.

Trees and concrete will not be picked up, it was said. Old refrigerators, washers, any metal junk, articles of furniture or other rubbish that can be lifted by two men will be hauled off and there is no charge to the householder.

This Clean-up Day is planned as a service to the public by the village board.

TONY BAKER, chief chef of Frankfort Lions annual Sauerkraut Day, stands by as Grant Geuther, fellow club member, samples the delicious kraut and bratwurst that will be served in the Veterans Memorial Building at Frankfort Community Park on Saturday, Sept. 3. Potatoes, bread, and wieners will also be on the menu. The Special Park Committee will serve homemade cakes and pies. Serving will be from 4:30 p.m. to 7:30 p.m.

David Zechlin, Lions Club president and chairman of the annual event, promises that it will be a family fun day. There will be an afternoon ball game and other games and entertainment. The Lincoln-Way High School Band will present a concert in the evening. Admission to the park is free. Advance dinner tickets are \$1.50 for adults and \$1.00 for children. The price at the gate will be \$1.75. Tickets may be obtained from any club member.

MRS. DOLORES ANDERSON
Telephone: 485-2365

An orientation conference for new faculty members of the New Lenox schools will be held Tuesday, Aug. 30, at the Oakview school beginning at 9 a.m. Welcome by Supt. A. J. Tyler, 9:05; review of school policies and schedule, 9:15; review certification requirements 11 a.m.; questions and answers, 11:15 a.m.

A teacher's institute will be held Wednesday, Aug. 31 at the Oakview school. Program for the day will be as follows: 8:30 a.m., coffee and rolls served by the New Lenox PTA; 9:20 a.m., re-

view of faculty handbook; schedules, policies, and procedures, (teachers 5-8) 10:00 a.m.; review of new math program, (teachers 5-8), Robert McWherter 11:00 a.m.; schedules, policies, and procedures (teacher K-4) Madeleine Weber and building principals; Lunch, 12:00; building meetings, building principal in charge, 1:30 p.m.

Mr. and Mrs. Joseph Wilmsen and children have returned home from a two weeks trip to the Black Hills, Yellowstone National Park, and Colorado Springs. They visited many places of interest on their trip.

Mr. and Mrs. Kenneth Fritz and children have returned home from a two-week's vacation in Michigans Upper Peninsula. They camped all the way, including several days at Wilderness Park, visited the Soo Locks, the Mackinac area, and enjoyed a trip around Lake Michigan, coming down the Wisconsin side. They visited with cousins at White Water, Wis. enroute home.

Five New Lenox residents recently found thrills by mountain climbing. They are Chuck and Dave Wright, Ed Lockhart and sons, Don and Denny. Mt. Woodson in the Cumberland Gap National Forest, Kentucky, Tennessee and Virginia proved to be a none too easy opponent.

Climbing to an altitude of 3,500 ft., they were caught in a thunderstorm, found shelter in a cave, and hiked the twenty-one mile length of the mountain, finishing at Ewing, Va.

At 3,000 ft. above the valley they visited the Hensley Settlement, said to be America's last pioneer settlement. Twenty-eight structures of log and stone are still standing, untouched by progress. A small cemetery containing seventy-four head and foot stones is a grim reminder of pioneer hardships. A total of twenty-six hours were spent on this adventure.

Mr. and Mrs. Glenn Donaldson have returned home from a weeks vacation spent at Pueblo, and Colorado Springs, Colo. They visited at Pueblo with his brother, Mr. and Mrs. John Donaldson.

The New Lenox Village Board will hold its regular monthly meeting on Wednesday Sept. 7 at the Village Offices, on Church street.

At the Aug. meeting of the New Lenox Association of Commerce they reviewed, discussed, and planned tentatively a project to put up signs at either end of the village, indicating that New Lenox welcomes industrial development. Plans for the Sept. meeting, will be made by the industrial development committee. They will have their recommendations for approval at that time.

A nominating committee was appointed to nominate a slate of officers for the new year, which will start in October. Those on the nominating committee are, Amos O. Bruns, Noel Elliott, and Alfred Emily.

Members of the Tops club will have a night out, Friday Aug. 26, when they will see "Sound of Music" at the Piccolo Playhouse in Joliet. The Willow Run Ladies

Golf club, best ball winners, on Thursday were, Helen Churchill, and Rosella Gleason, first; Dorothy Tyler, and Betty Johnson, second; In the A flight Esther Hug had fewest putts; B flight, Marge Istel; and in C Flight, Margaret Horn.

Grace Episcopal Church will have its "Country Fair" Sept. 3 and 4 at the church grounds. Those wishing to exhibit material may call Fr. Harper at 485-6596.

On Sept. 1, St. Jude School will open for a half day session. On Aug. 26, first grade will have a readiness test; Aug. 29 and 30 are dates for Fall registration. Labor Day, of course, is a holiday.

Children must be in complete uniform from the first day of school on.

Bus schedules for St. Jude children will be announced at registration time.

Roadside Stands Out

Roadside stands on right of way of state highways are out.

Authority for this statement comes from J. H. Dinkheller, engineer in charge of Dist. 1, Illinois Division of Highways, whose office is at Elgin.

Use of state highway right-of-way for the sale of flowers, plants, ice cream, vegetables, melons or any other merchandise is unlawful, Dinkheller says, because it interferes with effective movement of traffic.

Dinkheller has sent out word to local authorities, asking them to take action to bring about compliance with this law. He has turned to local authorities because state police normally do not operate within the corporate limits of municipalities and most of the transgressions of this sort occur within municipal limits, Dinkheller said.

Right-of-way state highways in municipalities extends to the sidewalk line so the use of sidewalks as a market stand are forbidden along such thoroughfares, it was stated. The right-of-way is outside of municipalities extends back to fence or property lines on either side of the road. State police said that a vegetable stand at

the northeast corner of U.S. 30 and Gougar Rd. is on railroad property.

Only Machine Knows If She Dyes Her Hair

Constant results and speed in coloring hair is what automation or the Space Age has done for the beauty trade.

Bleaches that regularly require 60 minutes now take six; a 40-minute tint can "take" in four minutes and a rinse that normally takes 10

minutes can be done in one. And no magic wand is required. What it takes is what the Belvedere Room has, a Rilling Accelomatic. The

Belvedere Room is a beauty shop in Arbury Hills; the Accelomatic is a machine that looks something like a hair dryer and is mobile. Filtered rays, duplicating selected wave lengths of the

sun, create a constant atmosphere in which hair coloring applications can develop evenly, it was explained. Uniform moisture retention permits the hair coloring to work evenly, in

and thruout the hairshaft, resulting in uniform color. No change of product is necessary, no steam, no cap. Frostings and tippings are a breeze.

NOTICE IS HEREBY GIVEN that a public hearing will be held at 7:30 o'clock P.M., Central Daylight Saving Time, on Monday, September 19, 1966, in the Village Hall located at 14415 Beacon Street, in the Village of Orland Park, Cook County, Illinois, to consider an amendment of that certain ordinance entitled "An Ordinance to Classify, Regulate and Restrict the Locations of Trades, Industries, etc.", adopted February 23, 1931, and approved February 27, 1931, also known as the Zoning Ordinance of the Village of Orland Park, Cook County, Illinois, Ordinance No. 32, as heretofore amended, and as amended by Ordinance No. 150, Revised Zoning Ordinance of 1957, as amended, which amendment consists of the following:

By adding to Section III, District Regulations, as set forth in Ordinance No. 150, as aforesaid, the following Section:

Section III

District Regulations

Addition by Annexation

Whenever all or any part of the following described real estate is added to the incorporated area of the Village of Orland Park as a result of annexation or otherwise, the part or parts of the following described real estate so added to said incorporated area shall be automatically classified as within the Class "A-A", Single Family Residence District, said real estate being described as follows:

Lot 12 of Brentwood Hills, a Subdivision recorded as Document No. 19663707, dated November 23, 1965, together with the West Half of the Northeast quarter of Section 10, Township 36 North, Range 12 East of The Third Principal Meridian, except the following parcels:

1. The South 42 Acres of said West Half.
2. The West 282.0 feet of said West Half.
3. The North 719.82 feet of said West Half.
4. The East 10.0 Acres of the North 38.0 Acres, of said West Half.
5. That part lying East of the West line of the East Half of that part of the North 38.0 Acres lying east of the West 282.0 feet and lying West of the East 10.0 Acres of said North 38.0 Acres.

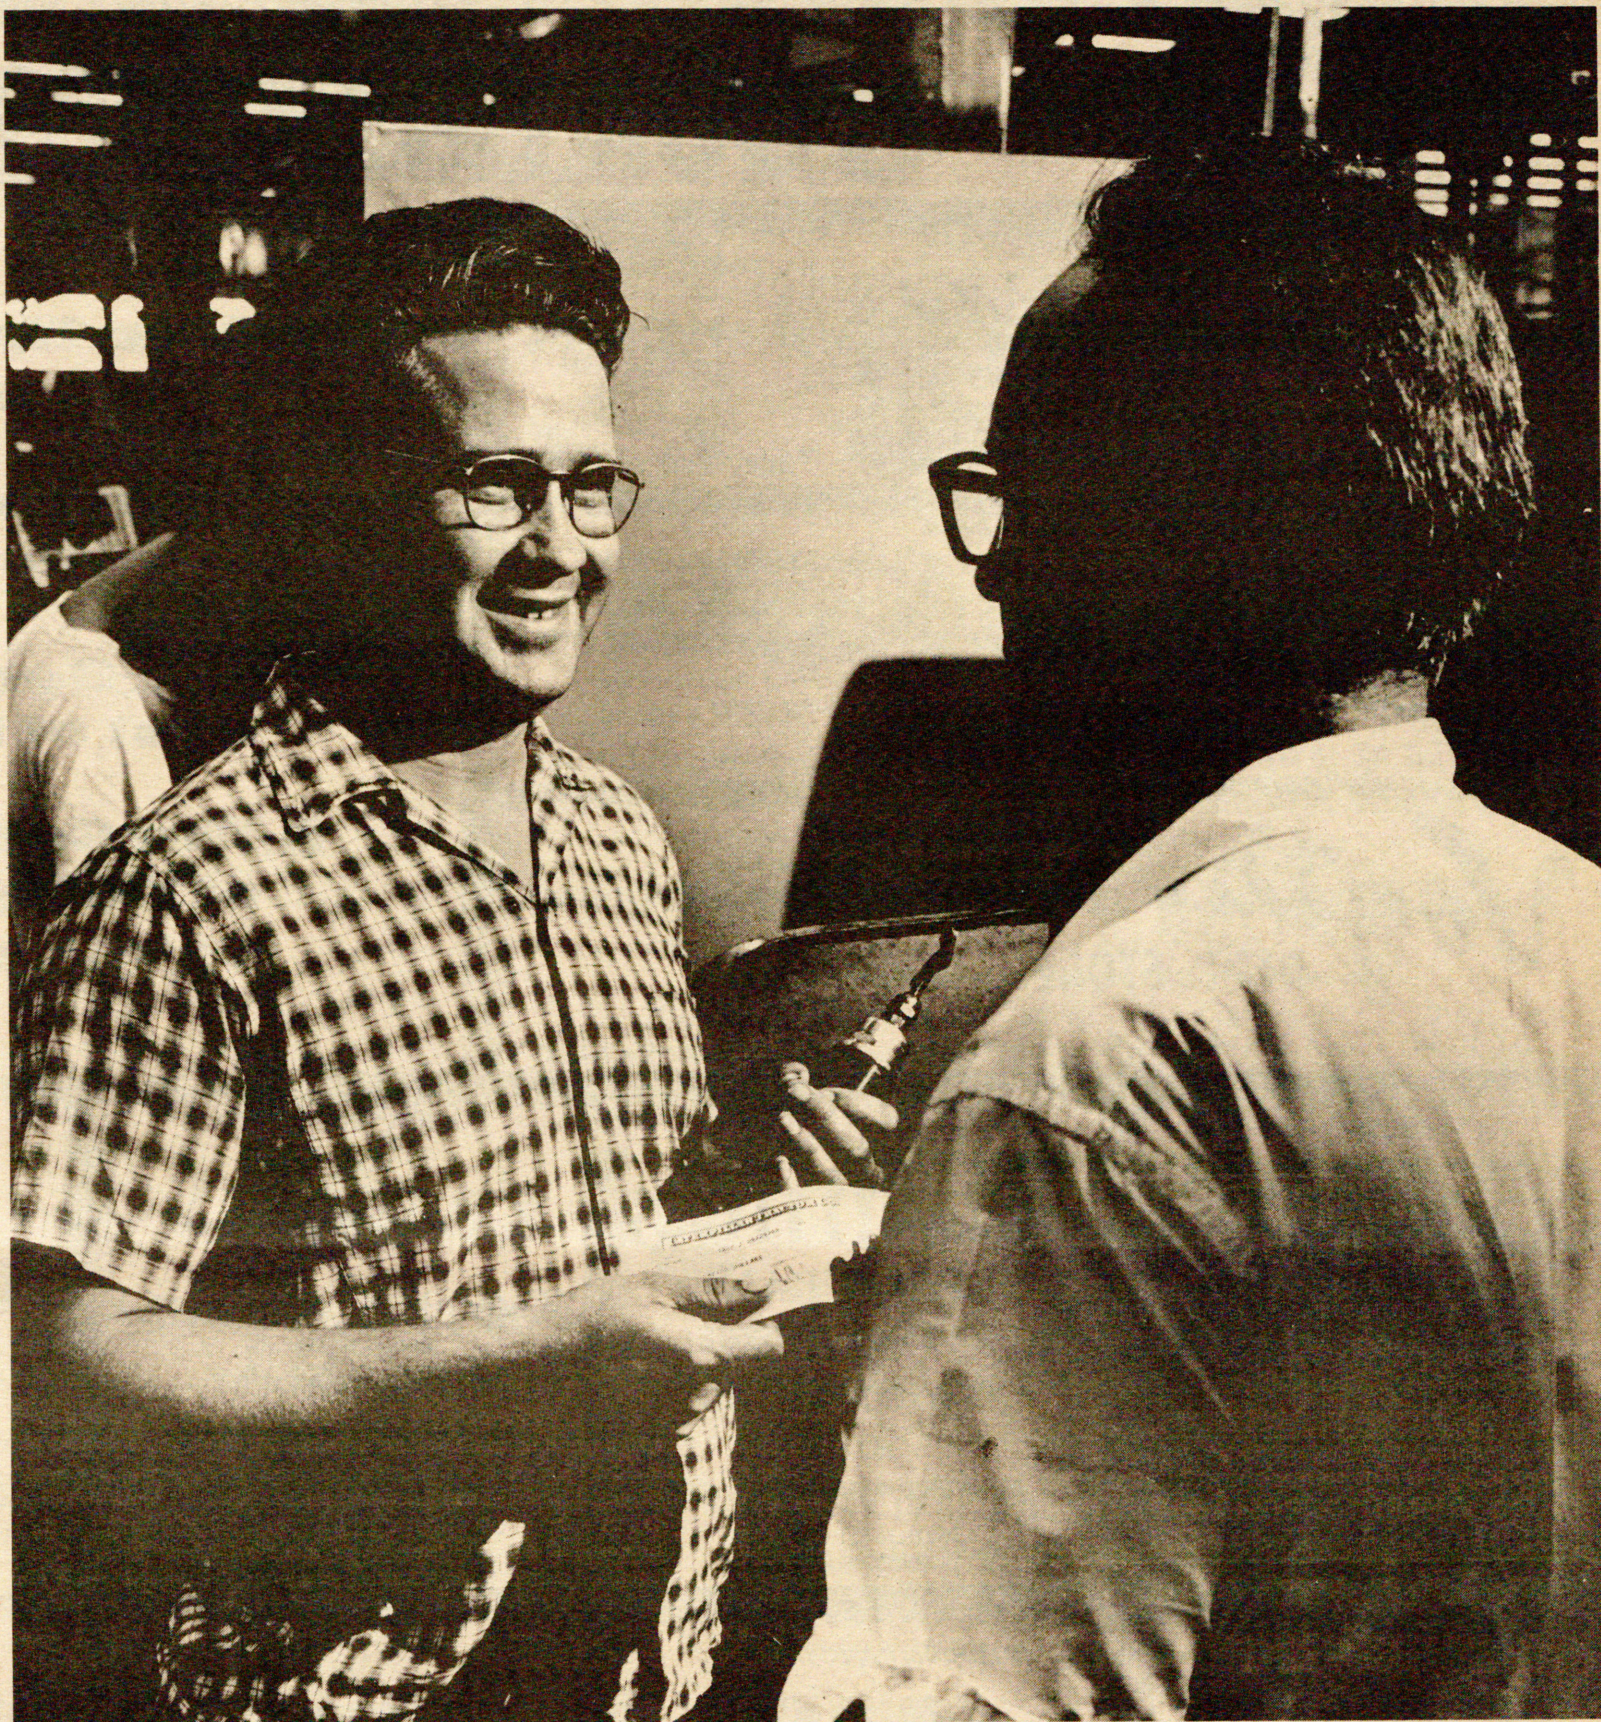

All in Cook County, Illinois, and said real estate shall be added to the "Zone Map" and designated as Class "A-A" thereon.

All parties interested should attend and will be given an opportunity to be heard.

His first pay check—just one of many benefits Vern Bonham will get at Caterpillar

Vern Bonham started with Caterpillar recently on a burr bench. He has a responsible job, and earns \$2.76 an hour plus a 16 cent-per-hour night shift premium — as much or more than the rate for comparable jobs in local industry.

Wage rates have advanced substantially at Joliet Plant since production began in 1951, far beyond the pace of increases in living costs. "Real" wage increases in that time have averaged some 87%.

Benefits have increased, too. Today Vern and his family are protected by broad medical and hospitalization coverage at no cost. He has free life insurance in an amount about equal to a year's pay. Vern knows that if he's ill or injured he'll receive weekly disability payments. He is also covered by Supplemental Unemployment Benefits,

Unemployment Compensation and Workmen's Compensation. And he qualifies for a paid vacation plan.

Vern can look forward later to a generous pension plan which will supplement his Social Security payments. And this plan doesn't cost him a cent.

Vern is planning to take advantage of training opportunities to further advance his career. He's already in line to start a four-year manufacturing program.

And, if he wants, he can take college courses under the Harry H. Fair Educational Assistance Plan, a program which will pay half his tuition costs.

Like any new employee anywhere, Vern Bonham was delighted to get his first pay check. And he knows that the check is just one of many benefits he'll receive in his career at Caterpillar.

Open Letter from the Hirschs

Dear friends,

Either by wish of the deceased or the family, the rituals of a fraternal organization may be included in the funeral service.

The funeral director, through his knowledge and experience can graciously coordinate these fraternal tributes into the ceremony of respect for the deceased.

Respectfully,

Edwin Hirsch

of Saint Mary's Church in Mokena gave the invocation and blessed the trophies to be given to the boys. The convocation was given by Fred Larsen, Vice President of the baseball league.

Also in attendance at the head table were, Jerry Francis and his son, Mr. Francis is secretary of the Lincoln-Way Baseball League, Joseph Arcuri, president of the Arbury Hills Boys Baseball League, Richard Pather, treasurer of the League, and Mike from the Texaco Station and his son completing the roster.

Mr. Arcuri opened the awards by a short speech commending the league as a whole on their cooperation this year, and the progress made by Arbury Hills because of it in the baseball program.

The awards were then presented with the Arbury Hills White Sox, Little League Team, receiving a trophy as first in their league which was accepted by the manager and coach, Foster Tekotte and Bob Lindeman.

The White Sox also had a presentation of the individual awards for the Most Valuable

Player Award to Larry Larsen and the Most Improved Player Award to Bobby Lindeman.

The Arbury Hills Red Sox were also in first place in the Minor League this year and were commended for their good work.

The individual awards for the Red Sox were presented to: Most Valuable Player Award to Jimmy Froelich and Most Improved Player Award to Steven Peterson.

The Angels Farm Team ended the season in first place in their division, and received a well done for their efforts.

In the Farm Teams only one award is given, since the majority of the boys are in their first year of play. The award for Most Valuable Player in the Angels Team was given to Greg Heise.

There were, however, four additional boys chosen for honorable mention in the most valuable department: Kevin Gunty, Jim Rose, Dale Rutan, and Chip Terracina. Their efforts made the choice for the trophy a difficult one.

The Wildcats Farm Team ended play in second place in their division, right behind the Angels in the order.

The Most Valuable Player Award for the Wildcats was Ronald Rubensen. As in the case of the Angels, there was no award given for most improved, since these boys, also are mostly first year players.

Three more boys were given honorable mention by the manager as of great value to the team. These boys were: Michael Hovi, Donald McGowan, and Billy Sprinkle.

The Colt League Team, the Arbury-Estates Cubs finished the year in second place in their division. The winners of the individual player awards were: Most Valuable Player Award to Bill Kennard and the Most Improved Player Award to Gary Neumayer.

The Pony League Team, the Lincoln-Hill Dodgers, received their individual awards with the Most Valuable Player going to Blair Neumayer and the Most Improved Player Award going to Dennis Sluter.

Mr. Francis then presented the Shaunessey Play-Offs Trophies to the two winning teams, the White Sox in the nine to twelve year old division and the Cubs

in the fifteen and sixteen year old division.

Accepting for the White Sox were Foster Tekotte manager and Bob Lindeman coach. Accepting for the Cubs was Paul Schubert manager.

Mr. Francis also wished to commend in a special manner one boy who to him was the epitome of boys baseball. This boy has shown sportsmanship on the field and off and shows as a proud example of what we mothers all want our sons to be. Thank you Billy Roach, you are one out of many.

The team trophies are to be presented to the new superintendent of the Arbury Hills School, Mr. Avila, to be displayed in the school for all to see.

-0-

With the baseball season now over, one rousing vote of gratitude is being offered by Joe Arcuri and his officers to all the men who took so much of their busy days to manage and coach these boys all season. To the ladies who played sales lady at the refreshment stand. To the cooking mamas who donated the food for the banquet, and of course to the boys who played their best all season, win, lose or draw.

The Arbury Hills Baby Sitters Cooperative will have their secretary's book change hands from Mrs. Edward Blecha to Mrs. Jack Cook on September 1. Any member needing a sitter should contact Mrs. Cook during the month of September at least twenty-four hours in advance of the date needed.

-0-

The Boy Scouts of Troop 10, who have been inactive throughout the summer will become active again following the opening of the school year.

-0-

The newspaper collections seem to be doomed to failure, since some vandals saw fit to set fire to the old school building some time ago. The boys can no longer store their newspapers there until sufficient load has been collected to call in a truck.

The collections are unhappily being discontinued due to lack of storage space. Sorry, folks, it sure was a painless way to help scouting in our area.

MENTAL HORTICULTURE
AND FLORICULTURE

If you have cucumbers, muskmelons, squash or pumpkins in your garden, you probably noticed that many blossoms drop off without setting fruit.

Don't be alarmed about this. This is normal, and here is the reason why.

Most vine crops bear two kinds of flowers, the male ones, known as the staminate flowers and the female ones, known as the pistillate flowers. You can quickly tell one from the other. The female flower is borne on the outer end of a tiny cucumber, muskmelon, squash or pumpkin. The male flower is produced on a thin stem.

Generally the male flowers appear in greater abundance in advance of the female flowers. This may fool you into believing that the flowers are failing to set fruits. Later the female flowers appear and on these the fruit is formed. But not until the pollen which is produced on the male flower has been transferred to the pistil of the female flower by insects.

After the stamens in the male blossoms have delivered their pollen, their function is finished, and they will drop from the plant. The fe-

male blossom, however, will remain and the young fruit will start developing. A female blossom that has been pollinated will most likely drop also. On occasion unfertilized or pollinated female flowers will develop small off - type, distorted fruit.

Although male and female characteristics will cause drop of vine crops, this is not true with tomatoes, beans, or peppers. Failure of fruit to set is often caused by extremes of temperature. Spring night temperatures below 55 degrees and hot drying winds in summer are examples. Insects, diseases, and weed killers can also be factors.

Wants Sewer Bills Paid Before Issuing Building Permits

The request of Tram Inc., identified as part owner of the New Lenox subdivision known as Lord's Sunset Trails, that it be granted building permits for additional units while in turn

it would place money in escrow to cover the sewer tap on fees, has been turned down.

There is litigation now pending in the Will County Circuit Court concerning payment of such fees. Developers of the subdivision, which is made up of multiple family dwellings, claim they do not owe the village any sewer charges because of an arrangement made when they built the sewer line to their development that they were not to be billed for same until the charges exceeded the cost of the sewer. The village disputes this.

Tram Inc. proposed in a letter to the village board that the money would be left in escrow until the court case was settled and then the money would either go to the village or back to the depositor, according to how the case was decided.

The board did not act on the proposal at its meeting Aug. 3 because a couple of the members were absent and it was felt the entire board should act. The meeting was then adjourned to Aug. 17, at which time the trustees voted to deny Tram Inc.'s request. The board wants the developers to pay up all sewer charges before any further building permits are issued.

William Funk Dies

William (Bill) Funk, 91, of 17236 Oak Park Ave., Tinley Park, died Sat. Aug. 20, in South Suburban Hospital following a brief illness.

Born Nov. 2, 1875 in Bremen Twp., he was a lifetime resident. In 1901 he became a charter member of the Tinley Park Volunteer Fire Dept. and is said to have been its oldest living member. He was a former Tinley Park mayor from 1926 to 1930 and was an active sportsman. He established a funeral home in Oak Forest in 1891 and retired in 1926 after 35 years of service to the area.

He is survived by his wife Emma. Removal was to Hirsch Memorial Chapel, Tinley Park, where services will be held on Tuesday, Aug. 23, at 2 p.m. with the Dr. Lowell Green officiating.

Burial will be in Zion Lutheran Cemetery, Tinley Park.

New Average

A new annual herd production average for milk and butterfat has been announced for the Registered Holstein herd owned by Albert H. Krusemark, Osage Farms, Frankfort.

As reported by Holstein-Friesian Association of America, the herd has completed its latest testing year with an official per-cow average of 17,249 lbs. of milk and 633 lbs. of butterfat, based on 50 completed lactations.

The University of Illinois supervised the weighing and production testing procedures in cooperation with this breed improvement program of the Holstein organization.

Grade Grounds In Fairway Est. For Ball Fields

Orland Park Trustee Tony Kozak reported to the board Monday night that Tuesday a sewer would be extended to drain off a large section of the pond that is being transformed into a recreation space in Fairways Estates.

There is space now for two ball diamonds, a large one and a smaller one, Kozak said. The area is being graded and will then be seeded.

The village fire hydrants are being painted.
